INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request. This is the first of two separate information disclosure statements which are being filed today. The reason for the separate filings is due to the limited number of attachments per filing.

Applicants wish to bring to the Examiner's attention the following commonly owned U.S. applications and U.S. patents.

References "AS", "AWW", "AT", "AU", "AV", "AW", "AX", "AAAA" and "ABBB" are the published versions of the above commonly owned, co-pending U.S. applications. The commonly owned, co-pending U.S. applications were filed as U.S. national phase applications under 35 U.S.C. §371 and, therefore, where a U.S. publication number is not yet available, the PTO-1449 lists the PCT publication number.

This statement is being filed before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.
